Pride of Ownership

The "Paint-Up, Fix-Up" Grant Program has been designed by the Maple Street Committee of Westminster to increase "pride of ownership" within our city, as well as to promote overall beautification of the neighborhoods in the Maple Street Area.

Many homeowners want to improve the way their homes look, but simply cannot find the extra money needed to do so. The "Paint-Up, Fix-Up" Grant can greatly ease the financial burden of improvements.

Imagine being able to complete home improvements at half-cost or being able to complete even more improvements without changing your budget!

Grant Basics

The "Paint-Up, Fix-Up" Grant is awarded in amounts of up to \$1,000. The City of Westminster will match what you spend on your home improvements, up to a maximum of \$1,000 match.
