TREE PLANTING IN FURNACE HILLS

The City of Westminster will plant 20 trees in a local development

Westminster, MD – On Saturday morning, November 14, 2009, at 9:00 a.m., the Westminster Tree Commission and Furnace Hills HOA will hold a tree planting. They will plant 20 trees in medians throughout the development to replace trees that were originally planted when the development was built and have since failed. The streets included in the tree planting are Silver Court, Spalding Court, and Palmer Terrace, off of Windsor Drive. HOA members contacted the City after reading about the Tree Commission in the City water bill newsletter.

Clear Ridge Nursery is donating the trees, which include 18 Red Maples and two Redbud trees. City equipment will be used for site preparation, and the Tree Commission and neighborhood will plant the trees.

For more information on the tree planting or the Tree Commission, please contact Tim Rogers, City Planner, at 410-848-4628.
