On September 13, 2011 at approximately 1521hrs, Francis Douglas Dyer was reported missing by his mother. It was reported that Francis had left their residence without his back pack that he always has with him and never returned. Francis is in possession of his wallet with his Maryland Identification. He was last seen on September 12, 2011 at approximately 1430hrs walking towards Engler Road Westminster, Maryland. Francis has no known friends or family members that he associates with and it is unknown where he may be going. Francis is believed to be suffering from a mental health crisis that could account for his missing status. Anyone coming in contact with Francis Dyer should contact their local law enforcement agency. Please notify the Westminster Police Department at 410-848-4646.
