

## Public Infrastructure Report to the City of Westminster

This form must be completed, signed, and returned before the developer may enter into a Public Works Agreement with the City. Surety will not be released until the completed form is accepted by the City.

**Only list those items that will become property of the City of Westminster.**

‘Cost’ and ‘Total Cost’ should include labor, materials, and land acquisition where necessary. Cost estimates must be obtained from contractor estimates. Engineer estimates are not acceptable.
